New England Institute of Technology Receives High Marks from U.S. News & World Report

East Greenwich, RI – Richard I. Gouse, President of New England Institute of Technology (NEIT), announced that [U.S. News & World Report](#) has favorably ranked the college in several categories in its 2021 Best Regional Colleges (North) survey. Placing #15 out of more than 50 colleges located in the northern part of the United States, NEIT also earned the following designations: #5 Best College for Economic Diversity; #7 Best College for Veterans; #13 Best College for Social Mobility and #23 for Best College with Least Debt.

Now in its 36th year, [U.S. News & World Report](#) assessed 1,452 U.S. bachelor's degree-granting institutions on 17 measures of academic quality. Details on the methodologies used in determining all rankings may be found at:

<https://www.usnews.com/media/pr/education/2021BC-overall-methodology>.

The combination of these most-important rankings demonstrates NEIT's mission to provide an affordable, high-quality technical and professional education for its students

Under the leadership of President Richard I. Gouse, New England Institute of Technology is a private, non-profit technical university and is accredited by the New England Commission on Higher Education. Founded in 1940, NEIT offers more than 50 associate, bachelor's, master's, doctoral and online/hybrid degree programs focusing on a proven combination of technical expertise coupled with experiential learning. Visit www.neit.edu and follow NEIT on Facebook, Twitter, You Tube, Instagram and LinkedIn.
